

Oracle Interview Handbook

1. Company Overview

Oracle is a global leader in database software and cloud infrastructure (OCI). It is known for its focus on data management and enterprise solutions.

2. Hiring Process (2025-2026)

- **Recruiter Screen:** 30 mins.
- **Technical Screen:** 45-60 mins, focusing on DSA and Java/SQL.
- **Onsite Loop:** 4-5 rounds:
 - **Coding Rounds (2):** DSA and problem-solving.
 - **System Design (1):** Focus on database architecture and OCI.
 - **Technical/Domain (1):** Deep dive into Java, SQL, or specialized areas.
 - **Behavioral (1):** Cultural fit and project discussion.

3. Data Structures & Algorithms (DSA)

Frequently Asked Problems

Topic	Problem Example	Difficulty
Trees	Invert a Binary Tree, Lowest Common Ancestor	Medium
Arrays/Strings	Merge Sorted Arrays, First Non-Repeating Character	Easy/Medium
Linked Lists	Reverse a Linked List, Detect Cycle	Medium
Dynamic Programming	Coin Change, Climbing Stairs	Medium

4. Machine Learning & AI

- **Oracle AI:** Knowledge of Oracle's AI services and OCI AI services.

- **Database AI:** Using AI for automated database tuning and security.
- **GenAI:** Integrating LLMs into enterprise applications (Oracle Fusion).

5. Domain-Specific Knowledge

- **Java Proficiency:** Deep knowledge of JVM, multi-threading, and collections.
- **Database Fundamentals:** SQL queries, ACID properties, Indexing, Normalization.
- **OCI (Oracle Cloud Infrastructure):** Basic understanding of cloud concepts.

6. System Design

- **Common Questions:** Design a URL Shortener, Design a Chat Application, Design a Distributed Database.
- **Focus:** Scalability, error handling, and performance optimization.

7. Behavioral Questions

- “Why Oracle?”
- “Tell me about a time you had a disagreement with a teammate.”
- “Describe a technical project you are proud of.”
- “How do you handle learning new technologies?”

8. Preparation Tips

- Master Java and SQL: These are critical for Oracle interviews.
- Focus on Database Concepts: Oracle is a database company; know your fundamentals.
- Be prepared for “Puzzles” in some rounds (e.g., 25 horses problem).
