

Placement Knowledge Base: Comprehensive Interview Handbooks

This repository contains a comprehensive collection of interview handbooks for various top-tier technology, product, and IT services companies. Each handbook provides detailed insights into the company's hiring process, frequently asked questions across different technical domains (Data Structures & Algorithms, Machine Learning, System Design), behavioral aspects, and preparation tips.

Companies Covered

FAANG/Top-Tier Companies

- [Google](#)
- [Amazon](#)
- [Microsoft](#)
- [Meta](#)
- [Netflix](#)
- [Apple](#)

Indian IT & Product Companies

- [Flipkart](#)
- [Zoho](#)
- [TCS](#)
- [Infosys](#)
- [Capgemini](#)
- [Cognizant](#)

- [LTMindtree](#)

Other Prominent Companies

- [NVIDIA](#)
- [Uber](#)

- [Oracle](#)
- [IBM](#)
- [Goldman Sachs](#)
- [JP Morgan](#)

Structure of Each Handbook

Each company handbook is structured to provide a clear and concise overview of the interview process:

1. **Company Overview:** A brief introduction to the company and its culture.
2. **Hiring Process:** A step-by-step breakdown of the interview rounds.
3. **Data Structures & Algorithms (DSA):** Key topics and frequently asked problems.
4. **Machine Learning & AI:** Relevant concepts and system design questions.
5. **System Design:** High-level and low-level design principles, common questions.
6. **Behavioral Questions:** Insights into cultural fit and leadership principles.
7. **Preparation Tips:** Actionable advice for effective preparation.
8. **References:** Links to official career pages, interview experience blogs, and other resources.

How to Use This Knowledge Base

1. **Select a Company:** Choose the company you are preparing for from the list above.
2. **Review the Handbook:** Read through the detailed interview guide for that company.
3. **Focus on Key Areas:** Pay special attention to the DSA, System Design, and Behavioral sections.
4. **Practice:** Utilize the suggested preparation tips and external resources to practice coding and system design problems.
5. **Tailor Your Preparation:** Adapt your study plan based on the specific requirements and cultural nuances of each company.
